

# Deemed Tariff

Business Electricity

Applicable to customers of SmartestEnergy Business Limited.

**Effective from – 1<sup>st</sup> June 2025**

Our non-discounted Deemed tariff rates apply to SmartestEnergy Business customers who do not pay by monthly Direct Debit and/or if you move into premises where SmartestEnergy Business is the existing electricity supplier and have not actively agreed contracted rates with us. In such circumstances you will have automatically taken a deemed supply agreement and will be placed on our Deemed tariff.

We are a Direct Debit only company which enables us to minimise our administration costs and pass this onto customers with favourable contracted prices. To find out about our best available rates, please contact our Customer Services on 01903 703400 (Mon-Fri 8.30am-5.00pm).

As an existing customer, should you cancel your Direct Debit Instruction at any time or fail to make payment, your account may be placed on our Deemed tariff. Wherever possible we will notify customers prior to switching to our Deemed tariff and advise how to prevent such action.
